

**Managing ILT
Strategy
Deployment**

Strategic
Management

Embedded
Means....

“ILT and management information plays a visible, effective and sustained part in the life of the college, and is easy to access”

Strategic
Management

ILT
Management

Embedded Means....

“Support by managers for
ILT use is embedded in
normal management
practices and this is visible
in college processes”

Strategic
Management

ILT
Management

Learning
Resource
Management

Embedded Means....

“On-line resources are available to the same degree to each user at every campus and via remote access from the home/workplace”

Strategic
Management

ILT
Management

Learning
Resource
Management

ILT
Strategy

Embedded Means....

“The use of ILT is routinely
evaluated by ‘all staff’
across the college and the
outcomes are fed into the
strategy development
process”
